

The Dolphins Cancer Challenge's Lifesaving Mission

The Dolphins Cancer Challenge (“DCC”) is dedicated to improving people’s lives through the financial support of innovative cancer research at the Sylvester Comprehensive Cancer Center (“Sylvester”). Since its inception in 2010, the DCC – the signature health initiative of the Miami Dolphins Foundation – has raised over \$11.5 million for Sylvester.

About the Sylvester Comprehensive Cancer Center

- Founded in 1973, Sylvester is the only cancer center in South Florida to be named a Cancer Center of Excellence by the Florida Surgeon General.
- Over 250 physicians and scientists are devoted exclusively to cancer care and research.
- Sylvester serves more than 7,000 patients each year across Miami Dade, Broward, Palm Beach, and beyond.
- Six treatment facilities are located throughout South Florida, with a seventh opening in Coral Gables in 2016 at The Lennar Foundation Medical Center on the University of Miami campus.
- Multidisciplinary clinics include chemotherapy, radiation oncology, imaging, stem cell transplant, interventional radiology, pain program, surgery, psycho-social / integrative medicine, and pediatric oncology.
- Since 2012, more than 3,400 patients have participated in approximately 200 clinical trials each year at Sylvester.

Why Your Support Matters

- Every dollar raised through the DCC supports groundbreaking cancer research at Sylvester and life-changing discoveries that lead to more individualized treatments, better outcomes, and more hope for patients.
- In the coming years, Florida will have the fourth highest incidence of cancer in the nation; the urgency to expand Sylvester’s research and patient care facilities to serve a growing community of individuals in need has never been greater.
- Through your support of the DCC, please join our fight to win the war on cancer, right here in our own community.

Donate now to advance cutting-edge cancer research at Sylvester and make a difference in countless lives throughout South Florida and beyond. Let's **#TackleCancer** together!
